

# ARISE TOWN SQUARE PROJECT ELEMENTS

8

## ARISE PROJECT ELEMENTS

### West Bank (2017-2018)

- River lawn and overlooks
- Lower plaza
- Interactive water feature

### Festival Street (2018)

- Highly visible area
- Street can be closed for festivals and riverfront activity
- Designed for banners, kiosks, food carts and tents

### Pedestrian Bridge (2018-2019)

- Striking pedestrian bridge with simple structural system
- Bold design, lighting, and plantings to create a unique experience
- Central meeting point, marked by a center feature

### East Bank (2019)

- Stone and metal gateway features
- Main Street businesses open to Water St. and River
- Promenade links to Riverwalk and extensions

### Riverwalk Extensions - North & South (2019-2020)

- Connecting downtown to Traxler Park and Janesville Performing Arts Center
